

# PAPER JOS

## Materials

Bird template  
Stiff blue paper (for body)  
Thin blue paper (for wings and tail)  
String  
Markers

## Instructions

1. Cut bird shape from stiff paper (use template). Draw on eyes and face.
2. Make two slits—a horizontal one near the base of the neck, and a vertical one near the tail.
3. Cut a sheet of thin paper in half. Decorate before folding if desired.
4. Fold each half up like an accordion
5. Insert in slits (Tape end of tail one together to make a fan effect)
6. Punch hole in back, add string to hang.
